

Alternative Tree Crop Field Day

**Friday, September 20, 2019
1:00pm-5:00pm**

**MU Southwest Research Center
14548 State Hwy H
Mt Vernon, MO 65712**

Join MU researchers, extension specialists, and experienced growers to learn about alternative tree crops that have economic potential for Missouri. Field day activities are free and will include:

- Educational presentations
- Tastings of several fruits
- Tours of the MU research plantings and orchards

Topics will include:

- Jujube
- Pawpaw
- American Persimmon
- Hazelnuts
- Black Walnut
- Tree Crop Economics
- Sustainable Urban Orchards
- Ag Intel - Crop Decision Tool
